

Business Memberships

We are proud to bring Aloha businesses and the library together to make a bigger community impact with our business membership program!

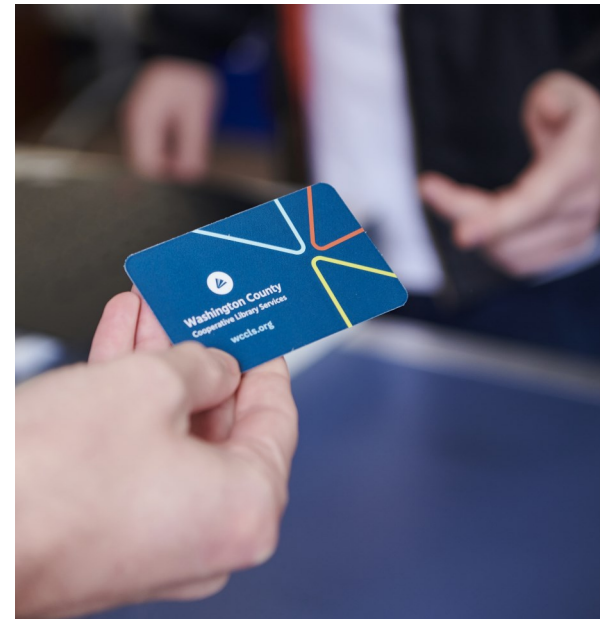

The Aloha Community Library has been serving Aloha, OR, since we first opened our doors in September 2012.

With an average of over 3,500 visitors each month, **the library is a hub of activity in the heart of our neighborhood.** Community is integral to a thriving business, and our community is the focus of what we do every day.

As a nonprofit public library, although a good chunk of our funding is provided by Washington County Cooperative Library Services, the Aloha Community Library Association is responsible for raising up to 20-30% of our budget each year in order to run the library.

When your organization becomes an ACLA business member, you are funding our community's free access to a place where anyone can study, work, help their children develop literacy skills, access resources for building job skills, or simply gather with neighbors.

The Aloha Community Library Association is a 501(c)(3) nonprofit organization. Donations are tax deductible to the extent allowed by law. Federal Tax ID #45-2937097.
